

REMARKS

Claim 1 stands rejected under 35 USC § 101 as claiming non-statutory subject matter. Claims 2-24 would be allowable pending resolution of the § 101 issue. Applicant respectfully requests reconsideration of the rejection in view of the foregoing amendment and the following remarks.

Claim 1 has been amended as suggested by the Examiner. Claims 1-24 remain pending in the present application.

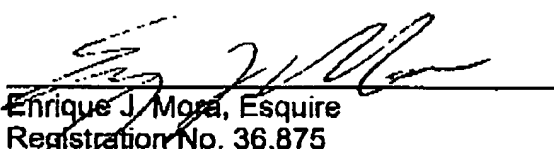

It is respectfully submitted that claim 1 as amended is no longer subject to any § 101 issues and therefore applicant requests that the rejection of claim 1 be withdrawn.

It is respectfully submitted that each of the claims pending in this application recites patentable subject matter and it is further submitted that such claims comply with all statutory requirements and thus each of such claims should be allowed.

The applicant appreciates the Examiner's efforts for conducting a thorough examination, and cordially invites the Examiner to call the undersigned attorney if there are any outstanding items that may be resolved via telephone conference.

DATED this 4th day of October, 2005.

Respectfully submitted,
